

## TERMS OF USE.

Using the website.

If you did not take note of these Terms of Use or if you do not agree with them, then using the contents of this site, including using the links will not be authorized.

## DISCLAIMER.

Hyperlinks occur in the contents. Chronic-Pain-Science.nl does not guarantee that these links function correctly under all circumstances, neither does it guarantee that the contents to which these links refer are always correct and actual.

Chronic-Pain-Science.nl regularly checks referencies and its contents and does not necessarily agree with the contents referred to. Taking note of these visions which do not agree with the visions and opinion of Chronic-Pain-Science.nl can deepen the scientific discussion.

As far as the links refer to sites of others than Chronic-Pain-Science.nl, others are then responsible for the contents of their site. Using these sites is the responsibility of the sites to which it concerns.

Chronic-Pain-Science.nl does not give rights to downloading and/or using the contents of a site which does not belong to Chronic-Pain-Science.nl. For that reason always consult "Terms of Use"and the site's disclaimer first.

## EXCLUSION OF RESPONSIBILITY.

We do everything we can to offer correct and complete information. However, it is human and voluntary work. Guarantees on the absence of mistakes cannot be given. Responsibility for mistakes and omissions will therefore definitely not accepted. Nor will any responsibility be accepted for the contents placed unauthorized on the website..

Chronic-Pain-Science.nl does not guarantee the reliability of the connection nor the possibility of damaging contents when downloading information of the site and the use of the hyperlinks. Visiting the Chronic-Pain-Science.nl website is at the responsibility and risk of the visitor. Visiting the site alone is being considered an agreement with these Terms of Use'.

## SAFETY.

It is forbidden to alter the information put into this system when you are not authorized to do so, it is forbidden to hack or get around safety functions or to use the system for objectives for which it was never meant to.

## COPYRIGHT.

All contents are property of Chronic-Pain-Science.nl and / or of the publishing writers. All rights are preserved.

The contents of the website can be copied, quoted and published without written permission before on the condition that the correct source is mentioned.

The contents of the website may not be used for commercial objectives in what way whatsoever.
